

International GIS Workshop on East Antarctica

May 27-29 2004

Wuhan, China

Following the inaugural International Antarctic GIS Workshop, held in Wuhan in 2000, Wuhan University wishes to invite you back for the 3rd International Antarctic GIS Workshop (AntGIS04). It will be held on May 27-29, 2004, at Wuhan University, China.

Conference Topics:

- The GIS status of East Antarctic and GIS cooperative research between China, Australia and Russia
- The storage and management research of Antarctic spatial databases
- Antarctic spatial data standards
- The integration and application of Antarctic sampled and spatial data
- Application of GIS for Antarctic expeditions and research
- On-line Antarctic GIS products
- Design and implementation of internet based GIS of Antarctic
- Other related Antarctic Geoscience issues

Conference language: English

Organized by:

Chinese Antarctic Center of Surveying and Mapping (CACSM), Wuhan University
State Key Laboratory of Information Engineering in Surveying, Mapping and Remote Sensing (LIESMARS), Wuhan University
International Office of Wuhan University

Sponsored by

Chinese Arctic and Antarctic Administration
State Bureau of Surveying and Mapping
Wuhan University

Steering Committee:

John Manning, SCAR Expert Group on Geospatial Information, Australia
Glenn Johnstone, SCAR Geoscience SSG, UK
Li Jiancheng, Dean of School of Geodesy and Geomatics, Wuhan University, China
Wei Wenliang, Director of Chinese Arctic and Antarctic Administration, China
Sun Chengzhi, Dean of Department of Science and Technology, State Bureau of Surveying and Mapping, China

Local Organizing Committee:

E Dongchen, Chinese Antarctic Center of Surveying and Mapping, **Chair**

Gong Jianya, State Key Laboratory of Information Engineering in Surveying, Mapping and Remote Sensing, **Co-Chair**

Chen Chunming, Chinese Antarctic Center of Surveying and Mapping

Zhu Xinyan, State Key Laboratory of Information Engineering in Surveying, Mapping and Remote Sensing

Zhang Wenyan, Chinese Antarctic Center of Surveying and Mapping

Pang Xiaoping, Chinese Antarctic Center of Surveying and Mapping

Zhang Shengkai, Chinese Antarctic Center of Surveying and Mapping

Shi Lite, State Key Laboratory of Information Engineering in Surveying, Mapping and Remote Sensing

Ai Songtao, Chinese Antarctic Center of Surveying and Mapping

Zhou Chunxia, Chinese Antarctic Center of Surveying and Mapping

Important dates:

Submission of abstracts: **April 15 2004**

Meeting: May 27-29 2004

Contact:

Dr. Zhang Shengkai

Chinese Antarctic Center of Surveying and Mapping (CACSM), Wuhan University

129 Luoyu Road, Wuhan, 430079

P.R.CHINA

Tel/Fax: +86-27-87874530

E-mail: zskai@wtusm.edu.cn

Ms. Shi Lite

State Key Laboratory of Information Engineering in Surveying, Mapping and Remote Sensing (LIESMARS), Wuhan University

129 Luoyu Road, Wuhan, 430079

P.R.CHINA

Tel/Fax: +86-27-87643969

E-mail: lilyshi@mail.liesmars.wtusm.edu.cn

Additional information:

- No costs for registration
- Accommodation is free during May 26-29
- More information can be found at the following web sites:
